

Cyber Auditing Service

Independent Cyber Auditing is essential for your business to ensure that your current cyber environment is secure and robust.

We will identify your vulnerabilities (those that are visible to hackers) and provide you with the tools to fix them before a cyber attack occurs. Pricing is fixed and affordable:

£49 pcm Continuous Cyber Auditing & Quarterly SOC2 / ISO27001 Compliant Reporting

We use a cutting-edge security platform that is accredited by:

- AICPA SOC
- Crest
- Cyber Essentials
- National Cyber Security Centre
- OSP
- GCHQ

One off audit & report available at £199 plus Penetration Testing & Cyber Consultancy services available on request.
